

EYOB ZELELEM

SOFTWARE ENGINEER

 [linkedin.com/in/eyobzelalem](https://www.linkedin.com/in/eyobzelalem)

 Eyzzz86@gmail.com

 +251-921297530

RELEVANT SKILLS

- Problem Solving
- Web And Mobile App Development
- API design knowledge
- Software Development
- Hardware and software installation
- Network and Systems administration

TECHNICAL SKILLS

- HTML
- CSS (tailwind and Bootstrap)
- Javascript (React and Node.js)
- Python
- Git and Github
- MongoDB

WORK EXPERIENCE

Trainee Software Engineer DAN Energy

October 2022 to Now

- Fixing all logging and workstation issues
- Reviewed project specifications and designed technology solutions that met or exceeded performance expectations.
- Coordinated with other engineers to evaluate and improve software and hardware interfaces
- Worked with software development and testing team members to design and develop robust solutions to meet client requirements for functionality, scalability, and performance

EDUCATION HISTORY

Bachelor of Science Degree In Computer Science

Institution: Hawassa University

Year of Graduation: 2021

CERTIFICATIONS

Front-End Libraries

Institution: freeCodeCamp
2022

Programming In Python

Institution: Coursera(Meta)
2023

Networking Essentials

Institution: CISCO
2023

TO WHOM IT MAY CONCERN

This is to certify that
EYOB ZELELEM TILAHUN
Graduated From Hawassa University
With
Bachelor of Science Degree in Computer Science
CGPA: 3.25 (Distinction)
September 15, 2021 GC

Issuance of original diploma and transcript awaits settlements of cost-sharing expenses or provision of the required services.

It is enthusiasm that I recommend **Eyob Zelalem** to employer organizations and any interested institution to recruit professional in Computer Science.

I know **Eyob** when I was teaching Software Engineering courses (i.e., **Fundamentals of Software Engineering** and **Object-Oriented Software Engineering**). **Eyob** has a great ability in understanding, analyzing, building a model and implement software products to solve the problems in the business domain.

Believing in him, he will fit and be an asset for any worthy organization which deploy the IT infrastructure as well as information System developments.

For any questions regarding this recommendation about **Eyob**, please do not hesitate to contact me using my contact address.

Regards

Certificate of Course Completion

Eyob Zelalem

has successfully achieved student level credential for completing the Networking Essentials course.

The student was able to proficiently:

- Explain how end-user devices and local networks interact with the global Internet.
- Explain the requirements for network connectivity.
- Build a small network using an integrated network router.
- Explain the importance of IP addressing.
- Explain how the protocols of the TCP/IP suite enable network communication.
- Configure an integrated wireless router and wireless clients to connect securely to the Internet.
- Configure basic network security and build a simple computer network using Cisco devices.
- Troubleshoot common network issues found in home and small business networks.
